CO₂ SOLUTION'S CEO TO BE INTERVIEWED ON BUSINESS NEWS NETWORK

Quebec City, QC, April 14th, 2011 – CO₂ Solution Inc. (TSX-V: CST), is pleased to announce the appearance of its President & CEO, Glenn Kelly, on the Business News Network (BNN), "Business of Green," segment of **Business Day** hosted by Frances Horodelski and Martin Cej .

This interview follows from recent CO₂ Solution announcements of collaborative pilot programs undertaken by CO₂ Solution, and major partners, which are focused on potential applications of the CO₂ Solution enzyme-enabled carbon capture technology in the power generation and metal production industries.

The Business Day TV segment will air on BNN on April 19, 2011 at 10:45 a.m. Eastern time and the webcast of the segment can be accessed via a link from the investors section of the CO₂ Solution website at www.co2solution.com. A re-play of the broadcast will also be available through the BNN archives which can also be found through a link in the investors section of the CO₂ Solution website.

About CO₂ Solution Inc.

CO₂ Solution is an innovator in the field of enzyme-enabled carbon capture and has been actively working to develop and commercialize the technology for power plants and other large stationary sources of carbon pollution. In the process, CO₂ Solution has built an extensive patent portfolio covering the use of carbonic anhydrase, or analogues thereof, for the efficient post-combustion capture of carbon dioxide with low-energy aqueous solvents. Further information about CO₂ Solution can be found at www.co2solution.com

CO₂ Solution Forward-looking Statements

Certain statements in this news release may be forward-looking. These statements relate to future events or CO₂ Solution's future economic performance and reflect the current assumptions and expectations of management. Certain unknown factors may affect the events, economic performance and results of operation described herein. CO₂ Solution undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable law.
