## Grant Stock Options

**Quebec City, Canada, May 05<sup>th</sup>, 2008** – According to its annual stock option based compensation plan approved by the Board of Directors, CO<sub>2</sub> Solution (TSX: CST) authorized today, the grant of stock options in favour of its officers, directors and employees in accordance with the stock option plan in force. With the resolution adopted, 833 000 stock options were granted and were allocated as follows:

Officers, directors and employees: 833 000 options.

These options can be exercised up until April 30<sup>th</sup>, 2013. Each option permits the holder to subscribe to one common share of CO<sub>2</sub> Solution. The exercise price of all the options was established at \$0.17 per share, which is the closing price of the shares of CO<sub>2</sub> Solution the day preceding the grant of the stock options.

Since the end of the last financial year, 1 326 417 stock options were cancelled.

### About CO<sub>2</sub> Solution

Headquartered in Quebec City, CO<sub>2</sub> Solution's mission is to become the leader in the conception, development, production and marketing of products and services directed at the management and neutralization of carbon dioxide and other greenhouse gases. CO<sub>2</sub> Solution, which follows the principles of sustainable development, has developed an innovative enzyme-based technological platform that operates by biologically capturing and transforming CO<sub>2</sub> into an environmentally safe substance. CO<sub>2</sub> Solution's enzyme-based technology platform is an important contribution to global efforts to fight climate change.
