CO₂ Solutions issues Warrants to GasTran Systems in connection with 2015 Collaboration Agreement

Quebec City, Quebec, June 22, 2017 – CO₂ Solutions Inc. (“CO₂ Solutions” or the “Corporation”) (TSX-V: CST), the leader in the field of enzyme-enabled carbon capture technology, today announced that it has issued 200,000 common share purchase warrants of the Corporation (the “June 2017 Warrants”) to Cleveland, Ohio-based Cleveland Gas Systems, LLC, dba GasTran Systems (“GasTran”).

The June 2017 Warrants were issued pursuant to the terms of the exclusive collaboration agreement with GasTran (the “Agreement”), the terms of which are described in the news release issued by the Corporation and GasTran on June 22, 2015.

Each June 2017 Warrant entitles its holder to acquire one common share of the Corporation at a price of \$0.20 per share until June 22, 2020 or until the Agreement is terminated in certain circumstances and is subject to a 4 month statutory hold period until October 22, 2017.

About CO₂ Solutions Inc.

CO₂ Solutions is an innovator in the field of enzyme-enabled carbon capture and has been actively working to develop and commercialize the technology for stationary sources of carbon pollution. CO₂ Solutions’ technology lowers the cost barrier to Carbon Capture, Sequestration and Utilization (CCSU), positioning it as a viable CO₂ mitigation tool, as well as enabling industry to derive profitable new products from these emissions. CO₂ Solutions has built an extensive patent portfolio covering the use of carbonic anhydrase, or analogues thereof, for the efficient post-combustion capture of carbon dioxide with low-energy aqueous solvents. Further information can be found at www.co2solutions.com.

CO₂ Solutions Forward-looking Statements

Certain statements in this news release may be forward-looking. These statements relate to future events, including statements relating to CO₂ Solutions’ future economic performance, and reflect the current assumptions and expectations of management. Factors that could cause actual results to differ materially from such forward-looking statements include, but are not limited to general business and economic uncertainties, third party events and adverse market conditions as well as those risks set out in the Corporation’s public documents filed on SEDAR. Readers are cautioned not to place undue reliance on such forward-looking statements. CO₂ Solutions undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable law.
