Appointment of Normand Voyer as interim President and Chief Executive Officer of CO₂ Solution

Quebec City, January 16, 2008 – Mr. Réjean Blais, Chairman of the Board of Directors of CO₂ Solution Inc. ("CO₂ Solution" or the "Company"), is pleased to announce the appointment of Mr. Normand Voyer as President and Chief Executive Officer by interim of the Company. The appointment will be effective as of January 16, 2008. In this position, Mr. Voyer replaces Mr. Jacques Raymond whose mandates to management and to the board of directors ended the same day.

"As Vice president of technology applications of CO₂ Solution, Normand has participated in all the work with our partners. He ensures continuity in the company's operations. On the behalf of all members of the Board of directors, I wish to thank Normand for having agreed to lead the development of CO₂ Solution. I also want to thank Jacques for his contribution to the company", added Mr. Blais.

Mr Voyer holds a doctorate degree in organic chemistry and is recognized worldwide for his research in bioorganic chemistry. During his career, Mr. Voyer has worked in both Canada and the United States, notably for Dupont, USA.

About CO₂ Solution

Headquartered in Quebec City, CO₂ Solution aims to become the leader in the design, development, production and marketing of products and services related to the management and neutralization of carbon dioxide and other greenhouse gases. CO₂ Solution, which subscribes to the principles of sustainable development, has developed an innovative enzyme-based technology platform that biologically captures and transforms CO₂ into an environmentally safe substance. CO₂ Solution's technology platform is an important contribution to global efforts to fight climate change.
